

Graduate **EDUCATION PROGRAMS**

YOUR FUTURE IS WELL WITHIN YOUR REACH

We provide teachers with a well-rounded curriculum so that you can enhance your problem solving skill set and do what you do best.

Whether your license is in early childhood, elementary, secondary, special education or K-12 specialty areas, a master's degree will make you a more effective teacher—the kind others turn to for solutions.

MAXIMIZE LEADERSHIP POTENTIAL

Elmhurst graduate education programs are powered by engaged faculty who are active scholars and subject matter experts. The faculty are integral in providing an experience that enables educators to acquire a versatile skill set, equipping them to evolve with their students. The endorsements and master's degree programs are tailored to working educators and emphasize leadership and collaboration, so that educators can learn from best practices and build professional connections.
